KANEKA CORPORATION

Relief Aid for Victims of the 2024 Noto Peninsula Earthquake

We would like to express our sincere condolences and sympathies for those who perished in, and all who have been impacted by, the 2024 Noto Peninsula Earthquake.

Kaneka Corporation (Headquarters: Minato-ku, Tokyo; President: Minoru Tanaka) provided 1,000 emergency blankets and bottled drinking water to Kanazawa city immediately after the disaster as emergency aid to those affected by the earthquake.

In addition, we will make a donation of 10 million yen to Ishikawa Prefecture through the "KANEKA UNITED KIZUNA Foundation*1" to provide relief to those affected by the disaster and to support the recovery and reconstruction of the affected areas.

We sincerely hope for the earliest possible restoration and recovery in the affected areas.

*1. Under the management philosophy of "KANEKA thinks 'Wellness First'", the Foundation was established in September 2019 to help areas severely affected by natural disasters return to normal and healthy condition as soon as possible. The Foundation is financed by the company and regular voluntary contributions from our directors and employees who agree with the purpose of the Foundation.
