2 Corporate Ideals

Toward an Even More Impressive and Productive Future

Hold in your hands the future you have always dreamed of. We are a highly perceptive and collaborative value-creating group or, as we like to say, a “Dreamology Company.*” We want to look at the future from the same perspective as our customers. The future that Kaneka visualizes is one that connects us with our customers.

* “Dreamology” is an expression coined from ‘dream’ and ‘ology’ (science). Our “Dreamology Company” is a “highly perceptive and collaborative value-creating group.”

Five “ties”

Tie to the future	As a research and development company brimming with creative energy and passion, we will create future-oriented businesses that leap beyond current market needs and back them up with new product development, thus protecting the global environment and contributing to the quality of life.
2. Tie to the world	We are determined to become a truly global enterprise with diverse human resources working together on a global scale. Our presence will be felt in markets around the world, including newly emerging ones.
3. Tie with value	We are proud of our unity and identity as the Kaneka Group and will take on the challenges of value creation and business innovation through close collaboration.
4. Tie for innovation	We will never cease to pursue innovation, fusing wisdom from both internal and external sources without getting caught up in organizational compartmentalization and conventional ways of doing things.
5. Tie with people	We in the Kaneka Group believe that the wellspring of corporate growth resides in human resources and will continue to seek innovation as we cultivate and nurture our valued employees.

In 2018, Kaneka Group established the ESG Charter, aiming to evolve its ESG management.
