KANEKA CORPORATION

Price revision of modifiers
— For shipments from April 1 —

Kaneka Corporation (Headquarters: Minato-ku, Tokyo; President: Minoru Tanaka) will revise the sales prices of impact modifiers (product names: Kane Ace B, Kane Ace M and Kane Ace FM), processing aids (product name: Kane Ace PA) and heat resistance resins (product name: Kaneka Telalloy) for shipments from April 1 as specified below.

Item	Revised price
Impact modifiers (Kane Ace B, Kane Ace M)	45 JPY / kilogram
Impact modifiers (Kane Ace FM)	25 JPY / kilogram
Processing aids (Kane Ace PA)	25 JPY / kilogram
Heat resistance resins (Kaneka Telalloy)	45 JPY / kilogram

We revised our prices in April last year, but prices have continued to rise significantly for utility cost and other costs. We have been working to improve profits by reducing costs but we have reached the limit of what we can do ourselves and we have determined that this price revision is necessary for stable supply in the future.
