KANEKA CORPORATION

Price Revision for Yeast Products

— Price to be Increased by 30 JPY/kilogram for Shipments on and after February 1 —

Kaneka Corporation (Headquarters: Minato-ku, Tokyo; President: Kazuhiko Fujii) will increase the sales prices of yeast products by 30 JPY/kilogram (15 JPY per 500 g) for shipments on and after February 1, 2026.

The costs related to production and sale of our yeast products such as processing, labor, and logistics, etc. have been rising and placing downward pressure on earnings.

We have been working to improve profits by reducing costs but we have reached the limit of what we can do ourselves and we have determined that this price revision is necessary for stable supply in the future.
